1                   In late July 2007, the parties reached a tentative settlement of this matter and  
2 requested a thirty (30) day extension of the pending Pretrial Conference date and related deadlines,  
3 in order to negotiate the terms of a written Settlement Agreement. The Court granted that extension  
4 on July 24, 2007. [Docket No. 178.] Since that time, the parties have worked diligently to finalize  
5 their settlement and have exchanged several draft Settlement Agreements. There are only a few  
6 remaining disputes, but the parties require additional time in order to complete their negotiations and  
7 finalize the written terms of the Agreement. Accordingly, the parties respectfully request that the  
8 Court continue the currently-scheduled Pretrial Conference for an additional period of thirty (30)  
9 days, until October 2, 2007, at 9:00 a.m. or a later date convenient for the Court.
